Parts:

- Bookshelves
- Candles
- Chandelier
- Gypsy
- Fireplace
- Picture
- Skull
- Skull Fogger
- Talking Borris

Description:

As the guests enter the room, they will see an old Gypsy woman sitting at a table peering at the back of a human skull. She looks up at them, and summons the spirits to the room. The skull on the table will start to communicate to the guests, and warn them of the malevolent spirit approaching. Then a skull fogger will burst forth through the fireplace and blow smoke. Haunted Books can be added, as well as other noises or motion devices.
